

List of 176 Poster presentations in the first group of Posters - 29 May Thursday, 10.30 to 30 May Friday 13.00

Category	Assessment & measurement tools	Ahmed	Nisar	presenting author	
Abstract Title	Assessment of chronic pain in older children and adults -developing a evidence-based standardised set of measures				abstract book N° 148
Country	UNITED KINGDOM	Institution	University of Sheffield	Academic Unit of Supportive Care	
Category	Assessment & measurement tools	Aminoff	Bechor Zvi	presenting author	
Abstract Title	Mini-Suffering State Examination scale: possible key criterion for 6 months survival and mortality of critically ill dementia patients				abstract book N° 149
Country	ISRAEL	Institution	Sheba Medical Center, Tel-Hashomer	Geriatric Division	
Category	Assessment & measurement tools	Bordin	Francesca	presenting author	Annette Welshmann
Abstract Title	Caregiver's perspective of quality: development of a satisfaction tool.				abstract book N° 150
Country	ITALY	Institution	Fondazione Sue Ryder Onlus	Palliative Care Unit	
Category	Assessment & measurement tools	Caraceni	Augusto	presenting author	Cinzia Brunelli
Abstract Title	Validity of an average 8-hour pain intensity assessment in cancer patients.				abstract book N° 151
Country	ITALY	Institution	Rehabilitation and Palliative Care Unit	National Cancer Institute	
Category	Assessment & measurement tools	Costantini	Massimo	presenting author	
Abstract Title	The Italian version of the Palliative Care Outcome Scale (POS).				abstract book N° 152
Country	ITALY	Institution	National Cancer Institute	Regional Palliative Care Network	
Category	Assessment & measurement tools	DUQUE GRANADO	ANTONIO	presenting author	
Abstract Title	THE COMPLEXITY AND THE DIFFICULTIES IN PALLIATIVE CARE IN A HOME HOSPITALIZATION UNIT (HHU).				abstract book N° 153
Country	SPAIN	Institution	HOSPITAL VIERGEN DEL ROCIO	INTERNAL MEDICINE (HOME HOSPITALIZATION UNIT)	
Category	Assessment & measurement tools	Fayers	Peter	presenting author	
Abstract Title	Self-reported pain severity: numerical rating scales versus verbal rating scales.				abstract book N° 155
Country	UNITED KINGDOM	Institution	Department of Public Health	University of Aberdeen Medical School	

List of 176 Poster presentations in the first group of Posters - 29 May Thursday, 10.30 to 30 May Friday 13.00

Category	Assessment & measurement tools	Guo	Ying	presenting author	
Abstract Title	Outcomes in Patients Who Had Undergone Internal Hemipelvectomy (IH) versus External Hemipelvectomy (EH)				abstract book N° 156
Country	USA	Institution	M. D. Anderson Cancer Center		Palliative Care and Rehabilitation Medicine
Category	Assessment & measurement tools	Gyllenhammar	Eva	presenting author	
Abstract Title	Karnofsky Index and survival				abstract book N° 157
Country	SWEDEN	Institution	ASIH		Löwet Närvård AB
Category	Assessment & measurement tools	Hagen	Neil	presenting author	
Abstract Title	The Alberta Breakthrough Pain Assessment Tool for Research: A Validation Study				abstract book N° 158
Country	CANADA	Institution	Tom Baker Cancer Centre and University of Calgary		Oncology
Category	Assessment & measurement tools	Helbostad	Jorunn L.	presenting author	
Abstract Title	Measurement of daily life activities in palliative patients. –An EPCRC validation study of two different body worn sensor systems				abstract book N° 159
Country	NORWAY	Institution	Norwegian University of Science and Technology		Dept of Neuroscience
Category	Assessment & measurement tools	Hjermstad	Marianne	presenting author	
Abstract Title	An updated literature review on the content of pain assessment tools in palliative care (PC)				abstract book N° 160
Country	NORWAY	Institution	Ullevål University Hospital		Department of Oncology
Category	Assessment & measurement tools	Jaturapatporn	Darin	presenting author	
Abstract Title	Validity and Cross Cultural Adaptation of the Thai Version of the Edmonton symptom Assessment Scale (ESAS)				abstract book N° 161
Country	CANADA	Institution	Temmy Latner Centre for Palliative Care		Medicine, University of Toronto
Category	Assessment & measurement tools	Johnsen	Anna Thit	presenting author	
Abstract Title	Using cognitive interviews to evaluate the validity of the three-level-of-needs-questionnaire (3LNQ)				abstract book N° 162
Country	DENMARK	Institution	Bispebjerg Hospital		Dept. of Palliative Medicine

List of 176 Poster presentations in the first group of Posters - 29 May Thursday, 10.30 to 30 May Friday 13.00

Category	Assessment & measurement tools	Keenleyside	Georgina	presenting author	Bill Noble		
Abstract Title	SCREENING AND PREVALENCE STUDY OF HOLISTIC SUPPORTIVE AND PALLIATIVE CARE NEEDS IN CANCER PATIENTS AT ALL STAGES					abstract book N°	163
Country	UNITED KINGDOM	Institution	University of Sheffield		Academic Unit of Supportive Care		
Category	Assessment & measurement tools	Krumm	Norbert	presenting author			
Abstract Title	Outcome indicators in palliative care – how to assess quality and success					abstract book N°	164
Country	GERMANY	Institution	RWTH Aachen University		Department of Palliative Medicine		
Category	Assessment & measurement tools	Laugen	Frode Jakhelln	presenting author			
Abstract Title	Development of a computerised pain body map: Expert opinions					abstract book N°	165
Country	NORWAY	Institution	Norwegian University of Science and Technology		Department of Cancer Research and Molecular Medicine		
Category	Assessment & measurement tools	Malik	Farida	presenting author	Marjolein Gysels		
Abstract Title	Sleep disturbances in advanced disease: a systematic literature review of assessment methods					abstract book N°	166
Country	UNITED KINGDOM	Institution	Kings College London		Palliative Care, Policy & Rehabilitation		
Category	Assessment & measurement tools	Mayland	Catriona	presenting author			
Abstract Title	Developing the 'Evaluating Care & Health Outcomes – for the Dying (ECHO-D) ; a questionnaire to evaluate care of patients and their families in the last days of life					abstract book N°	167
Country	UNITED KINGDOM	Institution	Marie Curie Palliative Care Institute		Palliative Medicine		
Category	Assessment & measurement tools	McMullan	Damien	presenting author			
Abstract Title	Is having an ultrasound service in Specialist Palliative Care Units useful?					abstract book N°	168
Country	UNITED KINGDOM	Institution	Northern Ireland Hospice Care		Palliative Medicine		
Category	Assessment & measurement tools	Nekolaichuk	Cheryl	presenting author			
Abstract Title	The Edmonton Symptom Assessment System: A 15-Year Retrospective Review of Validation Studies (1991-2006)					abstract book N°	169
Country	CANADA	Institution	Grey Nuns Community Hospital		Palliative Care Program		

List of 176 Poster presentations in the first group of Posters - 29 May Thursday, 10.30 to 30 May Friday 13.00

Category	Assessment & measurement tools	Omlin	Aurelius	presenting author	
Abstract Title	The frequency, the relative role and reversibility of secondary causes (SC) of impaired oral nutritional intake in advanced cancer patients - a systematic literature review. A project associated with EPCRC				abstract book N° 170
Country	SWITZERLAND	Institution	Oncological Palliative Medicine	Oncology, Dept. Int Med & Pall Care Center, IMD	
Category	Assessment & measurement tools	Palmer	J. Lynn	presenting author	
Abstract Title	Sensitivity to changes over time of the FACT-M for patients with stage III or IV melanoma				abstract book N° 171
Country	USA	Institution	UT M.D. Anderson Cancer Center	Palliative Care and Rehabilitation Medicine	
Category	Assessment & measurement tools	Pastrana	Tania	presenting author	
Abstract Title	Outcome indicators in palliative care - how to assess quality and success				abstract book N° 172
Country	GERMANY	Institution	RWTH Aachen University	Department of Palliative Medicine
