## **The presence of authors at their posters**

The presence of authors at their posters will be required only during the coffee breaks, in order to permit presenters to visit and discuss the work of others.

## **Poster discussion sessions**

19 posters have been selected for the two poster discussion sessions. Two experts will discuss and comment the posters and involve the authors in the discussion. The authors of the selected posters are requested to attend those sessions and provide for three (power-point) slides resuming their poster.
